### **Return of Title IV Funds:**

- Return of the Title IV requirements apply to a Title IV grant and/or loan recipient who completely withdraws from or leaves school before completing the payment period of enrollment. The requirements also apply to a student whose parent borrowed a PLUS loan.
- A student is a "Title IV grant or loan recipient" for purposes of the return of funds requirements if before the student withdrew, the school received the student's Institutional Student Information Record (ISIR) or a Student Aid Report (SAR) and the ISIR/SAR has an official expected family contribution and the student received Title IV funds from any of the Title IV programs; Direct Loan Program, Federal Family Education Loan, Federal Pell Grant, Federal Perkins or the FSEOG.

  - We're not awarded any Title IV aid
  - Never attends any classes in the payment period or period of enrollment
  - If the student does not attend any classes all Title IV funds will be returned.

### **Determining the Amount of Title IV Funds to be Returned:**

To determine the earned aid for the payment or enrollment period:

- 1) Divide the clock hours scheduled to have been completed as of the withdrawal date in the payment period by the total clock hours in the payment period.
- 2) If this percentage is greater than 60%, then the student has earned all the aid for that payment or enrollment period.
- 3) To determine the amount of aid the student has earned, multiply the amount of aid disbursed during the payment or enrollment period by the appropriate percentage from step one above.
- 4) All unearned Title IV funds must be returned to the appropriate source.
